Club Only Competitions

Due to the upcoming Big Brew and club only competition there will be some "big" changes to how we sample each other's beers. Each beer will be given a number and style guidelines along with score sheets will be available.

Members are being asked to use the score sheets to provide constructive criticism. Actual scoring will not be necessary. The form allows members to fill in what they think about aroma, appearance, flavor, mouthfeel, and the

technical merits of the beer in regards to its style or what style they feel it is better suited for.

Members are asked to check out www.bjcp.org where they can find the style guidelines and the beer score sheet. All of this is voluntary, but the hope is to brew better beer by getting better feedback. This process will (re)familiarize members to competition tasting for our club only contest on May 1st.
