## November Big Brew

CCLAM had another excellent Big Brew. With a target gravity of 1.067 for the Belgian Dubbel initial reports were 1.068!

Gravities are already down at 1.014 and below so it looks like this one is a keeper. Everyone there had a terrific selection of homebrews and awesome food (as we always do)! Thanks to

everyone who participated and a special thanks to Carl for hosting at the last minute to avoid a rainout.

It was great to see the new stand by Jim and Carl in action. Thanks to everyone who participated since it's the members who always make the big brews truly great.
